24th REUNION

MOBILE, ALABAMA
OCTOBER 22ND – 26TH 2025

COMMEMORATING 72 YEARS “ON STATION”
SINCE OUR VP-16 DESIGNATION
1953-2025

NOTHING BUT EXCELLENCE

Welcome

Welcome to the twenty-fourth gathering of the VP-16 Reunion Association, Inc.. We hope you enjoy your time with your former shipmates and meeting new ones. We are delighted you are here! Though we are a relatively small group compared to our history, you are the remaining dedicated supporters and attendees we have so appreciated over our group's history. Thank you for being here!

This year's reunion is a mixed bag for Linda and me, as it will be the final time we will be the lead planners and organizers for the Association's gatherings. It is time for the next generation of War Eagles to take the 'Left Seat'. Since we do not have a volunteer, regretfully, there is currently no plan for a "next reunion".

Per our corporate documents, I will ensure we hold annual meetings and elect a Board of Directors. The location and date will be announced as appropriate. Maintaining a supportive relationship with the squadron is essential to our members and future; we will continue that outreach.
